## **Pelikan 400 Cream Pearl**

Pelikan Number 400 Fountain Pen – Cream Pearl Marbled with Gold trim – Made in Germany

Piston Filler – The pen has been cleaned, lightly serviced and in working condition.

For auction today is this stunning scarce Pelikan number 400 fountain pen. The pen is in great condition and has no splits or cracks to be noted on either barrel or cap. The trim is gold plated and in good condition too. The pen is made from lovely pearl marbled celluloid. The celluloid has darkened on the cap as shown in the photos, I don't know what it is that causes this but doesn't detract from this pens beauty.

There is a stunning Pelikan motif impressed on the top of the cap.

The barrel has a green ink visible section that is nice and clear.

The cap band is marked:  
Pelikan 400 Pelikan 400

The base of the barrel is marked:  
Pelikan 400 Gunther Wagner Germany

The nib on the pen is 14K gold and in good condition. The nib has a Medium tip and is marked as follows:

Pelikan  
14C 585  
M

This is a really stunning scarce pen that will surely make an excellent addition to any collection. Please be sure to see all photos for more detail.
