Here is a very rare ITALIAN fountain pen. It is the ZEROLLO 2 PEN. It was a great innovation in the 1930s. It had 2 nibs, each one could be brought up rather like a safety the desk pen. In beautiful bright blue pearl plastic A big pen, 18.6cms long. The base is white onyx. Unfortunately the pens system has jammed probably by old ink. worse or to the sections has a small chip at the edge of its screw thread. The remaining nib is imprinted MONDIAL 14ct 6. Even with these faults it is still a highly sought after pen e would cost at least £4.500. Some pen genius is bound to be able to fix this but some may like to possess this just as it is. Ask any questions and i will consider a buy it now o
